A screenshot of a web browser displaying the Virtual Reverse Expo interface. The browser address bar shows "www.hlthcp.com". The interface has a purple header with "Radiology and Imaging" and "HCP20". The "VIRTUAL reverseexpo" logo is on the left, and the "INSIGHT IMAGING" logo is on the right, with "sponsored by" text above it. Below the header, there are two profile cards. The first card is for Rick Rickland, Radiology Director at XYZ Hospital, Nashville, TN, with a GPO Affiliation, Outpatient services, and 324 Beds. We realize that the need for connection in our healthcare communities has never been greater, even though being in the same place is not possible right now.

Health Connect Partners' brand new *Virtual Reverse Expo* experience will provide a new way to bring Providers and Suppliers together to learn, connect, and support each other remotely.

Our *Virtual Reverse Expo* will facilitate **5 minute one-on-one meetings** in a custom platform developed specifically to foster the connections for which Health Connect Partners' events are known. Our mission is more important than ever, and we are dedicated to helping you maintain connection with the hospitals that need you the most during this physically disconnected and medically emergent time.
