

smart leadscanners

Our smart scanners allow you to take notes, add follow-up dates, and search your scan history.

Point and click to scan the badge, then make updates on the touchscreen. After you return your scanner, we will email you a spreadsheet with detailed contact information for every provider executive badge you scanned: name, job title, facility, address, phone number, email address, follow-up date, and notes.

Depending on your needs, scanners are available for the entire conference or specific events. Log into your myhcp account to rent the scanner that fits your needs.

rentaloptions

Full Conference Scanner Rental

\$550* web-only price (\$600* at conference)

*For use on **all days at all events** – don't miss a single opportunity!*

Capture data from every conversation you have during the entire conference. This scanner is available for check out as soon as you pick up your badge on the first day and remains active until the end of the conference.

Reverse Expo Scanner Rental

\$350* web-only price (\$400* at conference)

*For use only on **days 2 & 3 at all events** – this scanner is available for check out on the second morning of the conference and remains active until the end of the conference.*

Supplier Showcase Scanner Rental

\$325* web-only price (\$375* at conference)

*For use only on **day 1 during the Supplier Showcase** – this scanner is available for check out on the first morning of the conference and remains active until the end of the Supplier Showcase event.*

Scanner rentals are non-refundable due to limited availability and sell out quickly.

*A \$650 security deposit will be placed as a hold on your credit card during the onsite check-out process to insure the scanner. The hold will be released once the scanner is returned.
